

WOMEN INVESTING IN SCIENCE & HEALTH
at Banner Health

Membership Information

Women Investing in Science & Health (WISH), in collaboration with Banner Health, provides education and philanthropic support focusing on women's and family health.

About WISH

WISH is a highly regarded organization of women leaders in Arizona that promotes and supports women's and family health by offering evidence-based research, trusted resources and leading-edge educational opportunities.

What We Support

We pool our gifts and decide together how best to invest our collective funds in Banner Health programs important to women and their families.
