About Pulse of the City Soiree

A celebratory and festive evening, Pulse of the City Soiree is the signature annual fundraising gala for nonprofit Banner Health, Arizona's largest healthcare provider.

This year, community leaders, physicians, philanthropists, and Banner Health leaders will come together to support two worthy programs:

- Our three Banner Children's medical centers in the East Valley, the West Valley and Southern Arizona, which care for more pediatric patients than any other healthcare provider in Arizona.
- The healing and recovery of our healthcare professionals in the wake of the COVID-19 pandemic.

While supporting these deserving initiatives, guests will enjoy a creatively designed celebration complete with cocktails, dinner, a live concert, dancing, and more. To ensure the health and safety of our guests, staff and volunteers, we will adhere to all CDC guidelines in effect at the time of the Soiree.

THE NEED

Proceeds from *Pulse of the City Soiree* 2021 will support two important areas of Banner Health:

Banner Children's Medical Centers

In keeping with the Soiree's tradition of supporting our youngest patients, half of proceeds will support a variety of services and care programs at Banner Children's at Desert (Mesa), Banner Children's at Thunderbird (Glendale), and Banner Children's at Diamond Children's Medical Center (Tucson). Programs include pediatric Intensive Care Unit expansion, care for childhood cancers and congenital heart disorders, indoor and outdoor recreation spaces and therapeutic play zones, on-site schooling for hospitalized children, music therapy, pet therapy, the Child Life program, and more.

Healing and Recovery for Banner Health Clinical Staff

In the wake of the unprecedented COVID-19 pandemic, half of the Soiree proceeds will support the healing and recovery of our healthcare professionals after the most traumatic period in medicine in their lifetimes. Today, 75% of physicians are reporting psychological distress, 65% are reporting increased burnout, and 25% of all healthcare professionals are considering leaving the field of medicine. Banner Health is committed to providing the professional counseling and mental health care, emotional support, and dedicated resources to help our valued professionals heal and recover from their experiences, find joy in medicine once again, and continue providing vital health care for our communities.

ABOUT BANNER HEALTH

Headquartered in Arizona, Banner Health is deeply committed to its nonprofit mission of making health care easier so life can be better. Since inception in 1999, Banner has ensured our community has access to high-quality health care, regardless of a patient's background or financial standing. Annually, Banner provides some \$750 million in community benefit, including free health care services and financial assistance, health education and community outreach, medical education and training, and research activities.
