ABOUT THE PULSE OF THE CITY SOIREE

A celebratory and festive evening, the Pulse of the City Soiree is the signature annual fundraising gala for nonprofit Banner Health, Arizona's largest healthcare provider.

This year, community leaders, physicians, philanthropists, professional athletes, and Banner Health leaders will come together to support Banner's youngest patients at our three Banner Children's medical centers in Mesa, Glendale and Tucson. While supporting this worthy cause, guests will enjoy a spectacular auction, a live concert, meet-and-greet opportunities, networking and superb dining—all in the spirit of ensuring a bright future for Arizona's children facing illness or injury.

ABOUT BANNER HEALTH

Headquartered in Arizona, Banner Health is deeply committed to its nonprofit mission of making health care easier so life can be better. Since inception in 1999, Banner has ensured our community has access to high-quality health care, regardless of a patient's background or financial standing. Annually, Banner provides some \$1 billion in community benefit, including free health care services and financial assistance, health education and community outreach, medical education and training, and research.

THE NEED: OUR YOUNGEST PATIENTS

Proceeds from the Pulse of the City Soiree benefit a variety of patient services and programs at Banner Children's at Desert (Mesa), Banner Children's at Thunderbird (Glendale), and Banner Children's at Diamond Children's Medical Center (Tucson).

Banner Children's goes above and beyond to create comfortable, home-like environments in its pediatric medical centers, designing each "through the eyes of a child." From the moment a child enters, every element of their experience is aimed at reducing fear and stress, making them comfortable, and empowering them throughout their health journey.

Programs receiving support include pediatric Intensive Care Unit expansion, care for childhood cancers and congenital heart disorders, indoor and outdoor recreation spaces and therapeutic play zones, on-site schooling for hospitalized children, music therapy, pet therapy, the Child Life program, and more. Simply put, your support makes life better for the thousands of Arizona children in our care each year.

WE'RE NOT JUST HERE FOR CHILDREN, WE'RE HERE BECAUSE OF CHILDREN.
