

## End-of-Life Compassionate Care at Home

### INVESTMENT OPPORTUNITY

#### Banner Hospice and Palliative Care

Banner Hospice provides symptom management with a focus on dignity for patients nearing end of life, as well as support services for both patients and their loved ones. Because each patient and family is unique, a dedicated hospice team is available 24 hours a day, 7 days a week. Care is provided in the patient's home and in group homes, assisted and independent living facilities, and skilled nursing facilities.

Banner Hospice services rely on charitable gifts to provide compassionate care for patients, regardless of their ability to pay. You can support programs that include:

**Caring Connections.** Help provide palliative care for uninsured and underinsured individuals to match their treatments with their goals.

**Bereavement & Support.** Support the Dottie Kissinger Bereavement Camp, a free camp in Payson that helps children cope with the loss of a loved one, as well as Banner's Grief Recovery Program that helps individuals heal from loss.

**Music Therapy.** Give terminally ill patients and their families the soothing and uplifting gift of music provided at the bedside by a certified music therapist. Banner Health's CEO, Peter S. Fine, and his wife, Rebecca Ailes-Fine, are matching gifts 1:2 in order to permanently endow the Music Therapy program for Banner Hospice patients.

**Hospice General Fund.** Gifts to this fund do the most good by funding an array of needs and services for the nearly 2,500 patients in hospice each year.

#### How to Give

- Mail checks to Banner Health Foundation, 2901 N. Central Avenue, Suite 160, Phoenix, AZ 85012. Please note "Hospice" on the memo line of your check.
- To make an estate gift or give non-cash assets such as stock, call 602-747-4485.
