## Banner Home Care & Hospice

### **INVESTMENT OPPORTUNITY:**

### **End-of-Life Care in the Comfort of Home**

Banner Hospice provides symptom management with a focus on dignity for patients nearing end of life, as well as support services for both patients and their loved ones.

#### **Compassionate Care Delivery**

Because each patient and family is unique, a dedicated hospice team is available 24 hours a day, 7 days a week. Care is provided in the patient's home and in group homes, assisted and independent living facilities, and skilled nursing facilities.

Banner Hospice services rely on charitable gifts to give patients the compassionate care they deserve, regardless of their ability to pay. Several programs are deserving of support, including:

**Caring Connections.** Help provide palliative care for uninsured and underinsured individuals to match their treatments with their goals.

**Bereavement & Support.** Support the Dottie Kissinger Bereavement Camp, a free camp in Payson that helps children cope with the loss of a loved one, as well as Banner's Grief Recovery Program that helps individuals heal from loss.

**Music Therapy.** Give terminally ill patients and their families the soothing and uplifting gift of music provided at the bedside by a certified music therapist.

**Hospice General Fund.** Gifts to this fund do the most good by funding an array of needs and services for for thousands of patients in hospice each year.
