ABOUT WISH

Women Investing in Science & Health (WISH) is a premier organization of women leaders providing philanthropic support to Banner Health and leading-edge educational programs using evidence-based research to promote and enhance women's and families' health and wellness.

WISH MISSION

WISH, in collaboration with Banner Health, provides education and philanthropic support focusing on women's and families' health and wellness.

WISH VISION

WISH is a highly regarded affinity group of women leaders in Arizona that promotes and supports women's and family health by offering evidence-based research, trusted resources and leading-edge, educational opportunities.

ABOUT BANNER HEALTH

Headquartered in Arizona, Banner Health is deeply committed to its nonprofit mission of making health care easier so life can be better. Since inception in 1999, Banner has ensured our community has access to high-quality health care, regardless of a patient's background or financial standing. Annually, Banner provides some \$1 billion in community benefit, including free health care services and financial assistance, health education and community outreach, medical education and training, and research.

ABOUT BANNER HEALTH FOUNDATION

Established in 2001, Banner Health Foundation's mission is to advance philanthropic investment to support Banner Health in caring for our community. Banner Health's nonprofit mission to make health care easier so life can be better is made possible by the unwavering support and commitment of our employees, physician partners, thousands of volunteers and many valued donors who so generously give of their time, talent and treasure. Contributions are invested locally to support patient care programs and services operated by Banner's many hospitals and health care facilities across Arizona.
